POLITICAL INVOLVEMENT

The Idaho AGC is the largest, most respected, and highly trusted voice for the construction industry in our state. We work with decision makers at each level of government to ensure that good public policy is in place that will allow for the industry to thrive while working tirelessly to keep bad government regulations from being implemented. The Idaho AGC has full time lobbyists working for your best interests. Our highly successful efforts on this front have brought about significant reforms at the state and local level, as well as increased funding for public infrastructure and improved tax policy. As a leader in Idaho's construction industry, your involvement in the political activities of the Idaho AGC is important to your company's future and bottom line.

MARKETING & NETWORKING

The Idaho AGC hosts numerous events throughout the year, affording members the opportunity to network and advertise through many AGC outlets including golf tournaments, lunch and learns, local and national conventions, service projects, poker tournaments, motorcycle rallies, clay shooting tournaments, committee meetings, and more! Members also have the opportunity to share their company information in our plan room, on our website and blog, through e-Blasts, social media, and more!

SAFETY TRAINING AND EDUCATIONAL COURSES

The Idaho AGC is committed to helping make your jobsite a safer and more productive place. We partner with one of the finest safety education organizations in Idaho to bring you quality training at a significant discount. A variety of online training is also available through our partnership with ClickSafety.

EDUCATION FACILITY

Members receive a discount for use of the education center which provides plenty of multipurpose meeting space and parking, making it easy to accommodate anything from a small meeting to a large employee training session.
