Additional Member Benefit- Safety & Environmental Update-

I am pleased to announce that starting in October, I will be sending out a Safety & Environmental Update every 1-2 months. I will send it out along with the Weekly Toolbox Talk so it will not create any additional emails. This update will include important Safety & Environmental News, website reviews & resources, as well as information you can use in your Safety Meetings, and share with your Supervisory Personnel & Employees. I will also be adding clarification to some commonly misunderstood OSHA regulations and terminology. The first Update will be sent out with the Toolbox Talk on Friday October 7th.

Boise Safety Fest Online Registration Opens October 17th at www.safetyfest-boise.org
