

JOHN WILLIAM JACKSON

The Fund was established in memory of John William Jackson in Fall 2000 by friends and family, including Marcus and Pat Meier of Monti Antico, Italy, and Bill and Jackie Jackson of Boise.

John graduated with distinction from Centennial High School in 1994, and went on to Georgetown University where he received his degree in psychology in 1998. At the time of his death in a climbing accident in Central Asia, John was conducting graduate research at the University of Montana in Missoula.

The Fund aims to capture the enthusiasm, passion, contemplation and enterprise that John exhibited in his life and individual pursuits.
