

OCTOBER 5TH, 2017

STORMWATER SYSTEM DESIGN TRAINING & MAINTENANCE DEMO

Please Join us for a lunch and learn training introducing innovative, cost-effective stormwater solutions for water retention and infiltrating roadways, followed by a maintenance demonstration of the Pave Drain system. Continuing education credits will be awarded.

Lunch and training will begin at noon at the Smoky Mountain Pizza located at 127 E State St, Eagle, ID 83616. Field demonstration will begin at 2:00 PM at the Moon Valley Apartments located at 142 S Sunlight Ave Star, ID 83669.

New Products Include:
Terra Vault – Urban Planting Solutions
R Tank – Stormwater Systems
PaveDrain – Stormwater's Arch Enemy
