NETWORKING & EVENTS

The Idaho AGC hosts numerous events throughout the year, affording members the opportunity to build connections within the industry. Associate members are encouraged to participate in the Service & Supplier Committee which assists in the planning and execution of all our events, including three golf tournaments, monthly lunch and learns, local and national conventions, service projects, poker tournaments, a family event night, motorcycle rallies, clay shooting tournaments, and more!

Many of these events also provide sponsorship opportunities geared toward networking, such as hosting an “active hole” at a golf tournament, staffing a booth at the family event night, or hosting a lunch & learn.

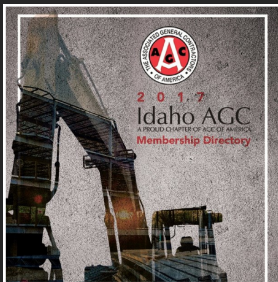

MARKETING & MEMBERSHIP DIRECTORY

The Idaho AGC provides many marketing opportunities. Our members have the option of advertising in our plan room, on our website and blog, through two free e-Blasts a year, social media posts, sponsorship of events, and in our directory!

The online Idaho AGC Membership Directory lists your company information for FREE (company description, logo, address, contact, social media, and more!) alongside over 600 fellow Idaho AGC members. Advertising is also available in the print version of the directory, which is mailed annually to all Idaho AGC members.
